

COOKIE POLICY

Connexus Global Limited

Website www.connexusdg.com
Last updated 24 October 2026

ABOUT THIS POLICY

This policy explains how Connexus Global Limited ("we", "us") uses cookies and similar technologies on www.connexusdg.com, what they do and the choices you have. If you have a question about cookies, email us at info@connexusdg.com.

WHAT COOKIES ARE

Cookies are small text files that a website saves on your computer, phone or tablet when you visit it. Websites also use similar technologies that store or read information on your device, such as local storage, pixels and scripts. In this policy, "cookies" covers all of them.

Cookies set by us are first-party cookies. Cookies set by another organisation whose service we use on our website are third-party cookies. Session cookies are deleted when you close your browser; persistent cookies stay on your device until they expire or you delete them.

STRICTLY NECESSARY COOKIES

These cookies make our website work and provide things you ask for, such as keeping the website secure and remembering your cookie choices. The law allows us to use them without your consent. You can block them in your browser settings, but parts of our website may then stop working.

ANALYTICS COOKIES

We use analytics cookies to understand how visitors use our website, such as which pages they visit, how they find us and how long they stay, so that we can improve it.

We set these cookies only if you agree. Until you choose, and if you choose "Reject", they stay off.

YOUR CHOICES

When you first visit our website, we ask whether you accept analytics cookies. "Accept" and "Reject" are equally easy to choose, and until you choose we set only the cookies that do not need your consent.

Withdrawing your consent is as easy as giving it. When you withdraw it, we stop using those cookies and delete them where our website can.

CONTROLLING COOKIES IN YOUR BROWSER

Most browsers let you see the cookies stored on your device, delete them and block them for all websites or for particular ones. These settings are usually under "Privacy" or "Cookies" in your browser's settings. If you block all cookies, some parts of our website may not work.

COOKIES AND PERSONAL DATA

Some cookies collect information that counts as personal data, such as an online identifier. We use information from strictly necessary cookies on the basis of our legitimate interests in running a secure website that works properly, and information from analytics cookies on the basis of your consent. Our privacy policy explains how we look after personal data and the rights you have, including the right to a copy of the information we hold about you.

QUESTIONS AND COMPLAINTS

If you have a question or a complaint about how we use cookies, email info@connexusdg.com. We will acknowledge a complaint within 30 days and tell you what we have done about it. You can also complain to the Information Commission (the ICO), the UK's data protection regulator, on 0303 123 1113.

CHANGES TO THIS POLICY

We update this policy whenever we change the cookies we use. The date at the top shows when it last changed.
